The UNC Men's Hockey team is a self-funded non-profit hockey organization that operates through player dues and continual fundraising programs. The hockey program has become a staple on campus and in Greeley and we are fortunate enough to have nearly a thousand fans each night at the Ice Haus. In the last six seasons, we have had a 90% graduation rate with numerous players receiving academic honors. Sponsorships are a portion of the income to allow us to travel out of state, purchase equipment, and maintain the expectation of a fun and competitive team. Your sponsorship will help us continue to be successful on and off the ice.
